Teams are Permitted to Re Fuel at any CPS so long as the fuel bay is not closed. There is no fuel board to reserve the fuel bay. Teams are permitted to queue for fuel but must not block access to pit lane traffic. When refuelling only the driver and one (1) pit crew is permitted in the fuel bay. Karts can be pushed to the driver change area to be restarted. Driver changes and weights changes are not permitted in the fuel bay. The fuel cap is not to be loosened until after the engine is shut down Driver ID Each Driver in a Team must have a different colour patch visibly attached to their driving suit for Driver identification purposes. Colour patches are available from the race secretaries table at each event. Teams failing to comply will be given one warning, and for any further breaches the kart will be shown		Any Kart recovery via a trolley or recovery vehicle during the race will count as a CPS.
Transition Times There are two Minimum Pit Lane Transition Times at this event that will apply under Section 4E.12.4 Drive Thru Penalty = 60 Seconds Compulsory Pit Stop = 100 Seconds (1 Minute, 40 Seconds) Pit Lane Closure A "Pit Lane Closed" board or light may be used at the discretion of the Clerk of Course. This will be shown prior to the Pit Lane entry. Teams that enter the pits whilst the "Pit Lane Closed" board or light is displayed will not have that pit stop counted towards that karts CPS total. Pit Lane Red Exit Line Arts waiting to exit pit lane must wait behind the red line adjacent to the pit transition timing screen. A kart or karts that are identified as waiting beyond the red line and blocking the exit of pit lane will have: First Offence – 60 Second Time Penalty Further Offences – 10 Lap Time Penalty Penalties will be applied Post Race. Refuelling After Official Practice After the completion of Official Practice all refuelling must be administered by the Fuel Marshal from the 4SKA Fuel Rig. Teams are not required to empty their tanks after Official Practice prior to Refuelling. Karts are permitted to return to the paddock area after obtaining their race fuel. Refuelling During The Race. The fuel bay is closed for the first thirty (30) minutes and last thirty (30) minutes of the race. There are no minimum refuelling stops for this event. Teams are Permitted to Re Fuel at any CPS so long as the fuel bay is not closed. There is no fuel board to reserve the fuel bay. Karts can be pushed to the driver and one (1) pit crew is permitted in the fuel bay. Karts can be pushed to the driver change area to be restarted. Driver changes and weights changes are not permitted in the fuel bay. The fuel cap is not to be loosened until after the engine is shut down Driver ID Each Driver in a Team must have a different colour patch visibly attached to their driving suit for Driver identification purposes. E. MEETING CONDITIONS

DRIVE THROUGH PENALTY:

Teams that fail to comply will be given a ten (10) Lap Timing Penalty.

TYRES:

The permitted Tyres for this event are Dunlop SL1A (Slick) & Dunlop KT12-SLW2 (Wet).

Any number of Tyres may be used in Practice Sessions.

Once Qualifying commences, only one (1) set of the prescribed Dry Weather Tyres, and two sets of

the prescribed Wet Weather Tyres may be used for the duration of the Event.

At the discretion of the Chief Scrutineer tyres may be marked, scanned, and recorded.

The tyres fitted to the kart when starting the race must be the tyres that were fitted to the kart during qualifying. If a tyre(s) is deemed to be damaged or defective by the Chief Scrutineer, that tyre(s) may be replaced by a tyre(s) approved by the Chief Scrutineer. The replacement of a damage or defective tyre(s) between qualifying and race start will result in a that kart being relegated to the rear of the grid for the start of the race.

CONTROL FUEL:

The Control Fuel for this meeting is Ampol / Caltex 95.

The Fuel must be purchased from any Ampol/Caltex or Woolworths-Ampol/Caltex service station

Teams must supply **TWENTY THREE LITRES (23)** litres of Fuel for each Kart and be purchased no more than two days prior to the meeting. Proof of purchase of the Fuel must be retained and produced to the Chief Scrutineer or Fuel Marshal if requested. The Race Fuel is to be left adjacent to the Fuel Rig prior to, or immediately after Driver Sign-on.

Fuel must be supplied in a <u>Clean Plastic</u> Fuel Container that complies with Australian Standard AS/NZS 2906. Fuel will not be accepted if supplied in a non-complying or a Metal Container or if found to be contaminated in any way. Rejected fuel will have to be replaced by the team prior to the opening of the fuel bay during the race.

REPLACEMENT ENGINES:

Replacement engines must have their engine number and tag information included on the karts scrutineering form. If not included on the scrutineering form the team must supply this information to the Chief Scrutineer once an engine change is affected.

MECHANICAL BREAK DOWN AREA:

The lubricating of chains and any repairs or adjustments that require the use of tools must be performed beyond the pit gate, in the paddock area.

TECHNICAL:

All Engines must be sealed with additional approved security seals to the cylinder head and flywheel/fan cover. The engine, clutch and engine accessories must comply with the Four Stroke Karting Association of NSW 2023 Supplementary Engine Technical Specification, Document ID: 4SKANSW2023SETSREV05

This document is available for download from www.4skansw.com.au or www.kartingnsw.com.au/technical-specifications/

Approved by Karting (New South Wales) Inc.

Rule T.2.8 (c) does not apply to this event. Nylon cable ties may be used to provide secondary retention of the nose cone clips. The cable ties may be placed in any position on the clips including the lower section holding the lever to the tension adjustment bolt. (NOTE: Rule change request submitted 10/08/2022)

Rule T.2.13. Metallic rear bars are not permitted for use at this event.

Rule T.2.14 (c). Additional holes are permitted at this event for the sole purpose of mounting chain guard strips and or lights to the device.

Rule 4E.10.1 Communications equipment may be installed in or on the helmet. The fixing of such items or devices to the helmet must not cause or result in a deterioration of the structural integrity of the helmet.

During the race, nylon cable ties and or cloth reinforced tape (race tape) may be used to effect temporary "on the run" repairs.

COMMUNICATIONS:

Rule 4E.10.1 Devices, systems or items which provide for data transmission to or from the Kart and/or Driver are permitted for use at this event.

The ability for every <u>driver</u> to <u>directly</u> receive Race Communications from Race Control, whilst on track, is a requirement for this event. If it is determined that a <u>driver</u> does not have the ability to <u>directly</u> receive Race Communications from Race Control, whilst on track may, at the discretion of the Clerk of Course, result in a "Mechanical Black Flag" being issued to that kart requiring that kart to return to the pits to have the issue rectified. Multiple offences by the same kart/team may result in a Stop-Go Penalty being issued.

Other than an Approved Official of the meeting, no person is to have the capability to transmit on the Designated Race Comms Frequency.

If at any time during Official Practice or the Race any person other than an Approved Official of the meeting is found to be transmitting on the Designated Race Comms Frequency, the kart associated with that team may be removed from the circuit by use of the Mechanical Black Flag until the ability to transmit on the Race Comms frequency is proven to be not possible by any transmitting device in use by that team.

F. CLUB/TRACK REQUIREMENTS

MEDICAL SERVICES:

Any Medical assistance that is required outside of the operating hours when Karts are not on the Race Track please contact 000. The address to give to the Emergency Services is:

Fairbairn Park, Pialligo Ave, Pialligo, ACT, 2609

KART RETRIEVAL:

Retrieval of Karts is at the discretion of the Clerk of Course.

Self-recovery (pushing towards the pits) of a broken-down kart is not permitted at any time.

Pit Crew must only enter the Race Track area when permitted by the Grid Marshall or Clerk of Course, and then only if wearing a HIGH VISIBILITY Safety Vest or Clothing on the upper torso.

ANIMALS:

Subject to the applicable laws which may govern the access of animals, no animals are allowed anywhere within the Track precinct unless they are appropriately restrained and managed by a competent and capable person. At their discretion, the Safety Officer may require an animal to be further restrained or removed from the venue.

OTHER:

No dumping of Fuel or Tyres, please make your own arrangements.

No unlicensed driving of motor vehicles permitted at the Track.

No Kart engine starts during Drivers Briefing.

Approved by Karting (New South Wales) Inc.

Signed:

No kart engines running before 9:00am

No kart engines running after **5:00pm**

Please keep the Ambulance gate/entrance clear at all times.

Overnight camping is permitted on the grounds.
